

WEST DUNBARTONSHIRE COUNCIL

School/ELCC Closure – Supporting Key Workers who have children

Dear parent/carer,

As you will be aware, the Scottish Government announced last night that schools and nurseries will close on Friday.

A commitment has been made to provide basic education facilities to ensure key workers, including those employed in the emergency services, care sector or other critical service area can continue to go to work.

We are asking you to complete the survey below to help us plan resources.

<https://forms.gle/ActsGMRoTaEZEHWc9>

You are also able to access the survey via:

- The WDC Facebook Page
- A direct email from the school/ELCC office to your home email address
- A link on a text message from your child's school/ELCC

Thank you for your continued support in these challenging times.

Yours sincerely,

A handwritten signature in black ink that reads "Laura Mason". The script is cursive and fluid.
